Re: Medley Site, Gaffney, S. Carolina

Dear Mr. Bycott:

Confirming our telephone conversation on October 31, you have agreed that the initial response to your October 25, 1983 letter to the Chas. S. Tanner Company regarding the above site is not required to be submitted until November 21, 1983.

We are in the process of reviewing the records of the Charles S. Tanner Company, however, there is some difficulty involved since whatever transactions may have been involved would have taken place in the early 1970's. Also, we acquired this company in 1980 from Ciba-Geigy Corporation and may have to seek information from their records if we are unable to locate any relevant information in our files.

Very truly yours,

NATIONAL STARCH AND CHEMICAL CORPORATION
